RE: SOHIO Shale Oil Co. - DOE/047/018

On March 24, 1987, Frank Filas, David Wham, and I inspected the subject mine.

It appears this DOE was reclaimed by SOHIO at the same time it did ACT/047/004, i.e., the area was reshaped in October of 1984 and reseeded in the ~~fall~~ ^{winter (Jan.)} of 1986.

A check will need to be made of the site in three years to see if the revegetation takes.
